OSA-4591/66

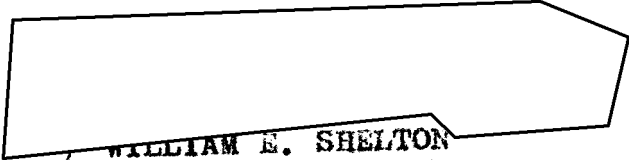

- 2 DEC 1966

MEMORANDUM FOR: Chief, Security Staff, OSA

SUBJECT : Transfer of SI, T-TK Clearances and Control  
to Security Staff, OSA

1. The handling of SI and T-TK clearances and billet numbers is no longer a function of the Intelligence Division. It is understood that preliminary arrangements have been made with you for the Security Staff to assume this responsibility. In this connection, we were advised some time ago that the clearance functions now being performed by a member of the Intelligence Division were to be assumed by one of your security officers.

2. With all due consideration I feel that sufficient time has elapsed for the transition to have taken place. Therefore, the Intelligence Division is being instructed to turn over to the Security Staff all security functions they may still be performing not later than 3 January 1967.
